

An internationally renowned provider of outstanding vocational services

HOW TO USE OUR GUIDE

Gold Coast Institute of TAFE offers a diverse range of programs to support the training needs of our community. This guide provides details of our programs in the following areas:

Main Programs

Our 2010 Program Guide introduces a wide range of accredited short courses and programs delivered at a Certificate, Diploma or Advanced Diploma level.

Programs are divided into key industry sectors including: Business, Financial Services and Administration; IT and Creative Industries; Property and Investment; Trades; Built Environment; Engineering and Marine; Health, Beauty and Community Services as well as Hospitality and Tourism.

Speciality Programs

The Institute offers a selection of speciality programs targeted at adults with special needs, youth and speakers of English as a Second Language. For details, see page 25.

Programs for the Industry Professionals

Gold Coast Institute of TAFE offers a number of fast-tracked programs for the industry experienced. These programs have been developed by highly successful industry professionals to update and develop the skill sets of business employees, leaders and managers. For details, see page 28.

Programs for Industry and Employers

Gold Coast Institute of TAFE has designed programs for industry and employers in terms of corporate training, apprenticeships and traineeships, government incentives, recognition of prior learning, workshops and upskilling. For details, see page 29.

Funding Assistance

Some students may also be eligible for funding assistance in a range of training areas, via the Federal Government's Productivity Placement program. Funding is available across a number of programs. To find out more, contact our Customer Service staff on 07 5581 8300.

Gold Coast Institute of TAFE (GCIT) is one of Australia's leading vocational education and training facilities and is the largest in the region with five campuses and enrolments of over 16,000 students annually.

We have developed an extensive range of programs including Short Courses, Certificates, Diplomas and Advanced Diplomas for 2010. The wide range of disciplines we offer ensures that students can study an industry area that interests them, in a delivery mode that suits their lifestyle.

These programs have been designed in close consultation with industry representatives. When our students complete their

studies, they will have developed the necessary skills to ensure they enter the workforce or move onto further education with a competitive advantage. Whether a student joins Gold Coast Institute of TAFE straight from school or after years in the workforce, we will work with them in the pursuit of their individual goals.

Our teachers are highly qualified, our programs are nationally recognised and our facilities are world class. Gold Coast Institute of TAFE is committed to delivering on its promise to be an internationally renowned provider of outstanding vocational services.
